AMENDMENT AFTER FINAL

Honorable Commissioner of Patents
Washington, D.C. 20231

Sir:

Responsive to the Office Action dated **August 30, 2000**, the period for response having been extended **two (2) months** until **January 30, 2001**, the following amendments and remarks are submitted in connection with the above-identified application.

In the Claims:

Please amend claims 11, 14, 17, 21, and 24 as follows. Note that claims 11, 14, 17, 21, and 24 are presented below in their amended form. They are further presented as an Attachment to the Amendment whereby the amendments to the claims are outlined using the conventional method of bracketing and underlining.

Sub
D1
cl
cont
1. (Amended) A display device comprising:
a substrate;
a plurality of light emissive elements arranged in a matrix form over said substrate;
a plurality of first thin film transistors formed over said substrate;
a plurality of second thin film transistors formed over said substrate and connected to said plurality of light emissive elements, respectively, wherein said one of first thin film transistors is connected to a gate of one of said second thin film transistors; and
